consumers**

**Corporations saw the 'Our Pick' report
and want to help. We have received
donations to support those in the
mental health system. Contact us and
let us know how this money can be used
to promote your treatment needs.**

**What is
important to you?**

- The right to smoke?
- The right to refuse medication?
- The right to education?

**Initiated by Justice Action. We are a non-government organisation
advocating for penal and mental health reform. Our aim in this campaign
is to bring justice and equality to patients in the mental health system.**
